Rev. Jos. Marsh

4 Dea Br Phelps Sandwich Jan. 10. -39

I hasten to write to you relative to our County convention talked of by you - I have nearly completed the arrangements - The Cape is nearly wipe - come, or send some one to thrust in the sickle. As Br Stanton has, I suppose, accepted the Agency I ask, will he come? If he cannot, some one must, or I shall be found a false witness. The people in the various towns are expecting a visit from Boston. I wait only for you or Br Stanton to name the time, and we will be ready

Since my last I have formed a Society in Monument (Sandwich) Author Perry Pres[t] Ellis Swift Sec[t] 17.

Yours in behalf of the Home
